

Sky & Freesat Mini Dish Installations Price List

Prices to supply and install domestic satellite dish suitable for Sky and Freesat

Freesat is a digital satellite TV service from the BBC and ITV. To watch you'll need a Freesat receiver or Freesat ready TV, a satellite dish and ideally an HD-ready TV. It's basically the satellite equivalent Freeview – once you've paid for the box and installation there are no more ongoing monthly subscription costs.
